## DIRECTORS' REPORT TO THE MEMBERS

On behalf of the Board of Directors, I am pleased to present the reviewed financial statements of JS Bank Limited (the 'Bank') along with reviewed consolidated financial statements of the Bank with its subsidiaries JS Global Capital Limited and JS Investments Limited for the half year ended June 30, 2015.

#### **The Economy**

Performance of Pakistan's economy during January-June 2015 (1H2015) was largely encouraging with soft inflation statistics, improving external account outlook and contained fiscal deficit. CPI inflation in January-June 2015 clocked in at 3.0% YoY, with FY15 CPI inflation averaging at 4.5% YoY. Moderation in inflation was primarily due to (1) sharp decline in international oil prices and (2) soft commodity prices, whereas external account improved due to lower oil import bill, increased remittances and receipt of IMF tranches. As a result, Pakistan foreign exchange reserves improved to ~US\$18.5bn by June 2015. Hence, interest rate scenario became positive for the country, as the State Bank of Pakistan (SBP) opted to cut the discount rate by 250bps to 7% during 1H2015. GDP growth clocked in lower-than-expected at 4.2% in FY15 with fiscal deficit contained at approx. 5% of GDP.

## **Banking Sector Review**

Interest rates declining trend continued in 1H2015 as the State Bank of Pakistan (SBP) persisted with monetary policy easing via cutting discount rate by 250bps to 7.0% during the period under review. The period also witnessed regulatory changes from SBP where along with shrinking the interest rate corridor to 200bps from 250bps, SBP also introduced a 'Target Rate' fixed 50bps below the ceiling rate and would also be the new Policy Rate from now onward. Due to this change banking spreads for the period under review declined to a ten-year low. The banking industry's investments grew by 33% YoY to reach PKR 5,812 billion while Advances recorded a growth of 7% YoY touching PKR 4,577 billion at June 2015. Total Deposits touched PKR 9,141 billion during the same period, registering a growth of 13% YoY. Consequently, IDR reached 64% whereas ADR for the industry declined to 50%.

## **Financial Performance**

During the period under review, as at June 30, 2015 the Balance Sheet of your Bank increased to PKR 193.84 billion from PKR 176.72 billion as at December 31, 2014. Deposits increased from PKR 108.74 billion to PKR 129.48 billion. On the asset side, advances and investments increased to PKR 62.50 billion and PKR 108.63 billion respectively.

The Bank has earned profit before tax of PKR 940.22 million (profit after tax of PKR 566.58 million) for the half year ended June 30, 2015 as compared to the profit before tax of PKR 402.16 million (profit after tax of PKR 275.07 million) in the corresponding period last year. The increase in profit is mainly due to increase in net interest income and non-markup income by 54.43% and 121.27% respectively.

## **Business Review**

The Bank continued to show strong growth in deposits, assets, ADC, Bancassurance, Remittance and Trade Business. Our branch network also continued to expand.

During 2Q2015 our Corporate & Retail Banking Group (CRBG) is working on rolling out several initiatives including Prepaid Cards and targeted deposit products to further increase our customer base. The recent launch of Platinum Business Account and Premium Current Account, and cost rationalization on saving accounts, has helped reduce the Bank's cost of funds. CRBG business is currently working on development of more products for our valued customers. The Bank is also gradually and prudently expanding its Agriculture Credit, Auto Loans, Credit Cards, Leasing and GoldFinance portfolios.

The Treasury Group continued to play an active role in the primary and secondary market of government securities and was ranked at number 3 amongst 11 Primary Dealers in Pakistan, by the SBP for the year ended June 30, 2015.

The Investment Banking Group (IBG) has secured mandates for the privatization of four Government of Pakistan entities, including three power distribution companies and one power generation company.

The Central Bank of Bahrain (CBB) has granted us wholesale banking license to our Bank to open a branch in Bahrain. The license allows the Bank to expand its activities as a wholesale bank from the Kingdom of Bahrain.

Our focus continued on the improving the level of service delivery at branch locations across Pakistan. Having a network of 238 branches across 122 cities and a competitive set of banking products and services, the Bank is well placed to record impressive growth in core and ancillary revenues in 2015 and beyond.

## REVIEW REPORT ON UNCONSOLIDATED CONDENSED INTERIM FINANCIAL INFORMATION TO THE MEMBERS

## Introduction

We have reviewed the accompanying unconsolidated condensed interim statement of financial position of JS Bank Limited (the Bank) as at June 30, 2015, and the related unconsolidated condensed interim profit and loss account, unconsolidated condensed interim statement of comprehensive income, unconsolidated condensed interim statement of changes in equity and notes to the accounts for the half year then ended (here-in-after referred to as the "unconsolidated condensed interim financial information"). Management is responsible for the preparation and presentation of this unconsolidated condensed interim financial information in accordance with approved accounting standards as applicable in Pakistan for interim financial information based on our review.

#### Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

## Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying unconsolidated condensed interim financial information as of and for the half year ended June 30, 2015, is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting.

## Other matters

The figures of the unconsolidated condensed interim profit and loss account and the unconsolidated condensed interim statement of comprehensive income for the quarter ended June 30, 2015, have not been reviewed, as we are required to review only the cumulative figures for the half year ended June 30, 2015.

## 16. TAXATION

**16.1** During the period the, Commissioner Inland Revenue - Appeals (CIRA) and Appellate Tribunal Inland Revenue (ATIR) have decided certain appeals filed by the Bank and the tax department in respect of amended assessments for tax years 2008, 2009, 2010 and 2013.

For tax year 2008, CIRA has admitted the contention of the Bank that the amended order is barred by time and, decided that any addition made in impugned order is annulled and not required to be further adjudicated. However, the department has filed an appeal against the decision of CIRA in ATIR where it is pending for hearing and decision.

For tax years 2009 and 2010, CIRA has decided appeals accepting the Bank's contentions in respect of significant issues whereas, disallowances of amortisation claim of goodwill have been decided in favour of department besides maintaining the department action of levying Workers' Welfare Fund (WWF) on accounting profit of the Bank. The Bank is in the process of filing appeals in ATIR to contest the decision of CIRA in this regard.

For the tax year 2013, the ATIR has decided appeal filed by tax department in respect of calculating the amount of provisions against advances as allowable under Rule 1(c) of Seventh Schedule to the Income Tax Ordinance, 2001 and has maintained the CIRA decision that allowability of provision for advances to be calculated at 1% of gross amount of advances as against the tax department contention that the same is to be calculated on net advances after deducting the amount of provisions created and allowed against advances.

There is no change in contingent liabilities since the date of annual unconsolidated audited financial statements for the year ended December 31, 2014 except as disclosed above.

Condensed interim financial information of JS Abamco Commodities Limited (a subsidiary of JS Investments Limited) has not been reviewed. Management is responsible for the preparation and presentation of this consolidated condensed interim financial information in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this consolidated condensed interim financial information based on our review

## Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying consolidated condensed interim financial information as of and for the half year ended June 30, 2015 is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting.

## Other matters

The figures of the consolidated condensed interim profit and loss account and the consolidated condensed interim statement of comprehensive income for the quarter ended June 30, 2015 have not been reviewed, as we are required to review only the cumulative figures for the half year ended June 30, 2015.

#### 1.2 Basis of consolidation

The basis of consolidation adopted in the preparation of this consolidated condensed interim financial information is the same as those applied in the preparation of annual consolidated financial statements for the year ended December 31, 2014.

#### 2. STATEMENT OF COMPLIANCE

- 2.1 This consolidated condensed interim financial information of the Group for the half year ended June 30, 2015 has been prepared in accordance with the requirements of the International Accounting Standard 34 'Interim Financial Reporting', provisions of the Companies Ordinance, 1984, the Banking Companies Ordinance, 1962 and directives issued by the Securities and Exchange Commission of Pakistan (SECP) and SBP. In case where requirements differ, the provisions of the Companies Ordinance, 1984, the Banking Companies Ordinance, 1962 and the said directives have been followed.
- 2.2 The SBP has deferred the applicability of International Accounting Standard 39, 'Financial Instruments: Recognition and Measurement' and International Accounting Standard 40, 'Investment Property' for Banking Companies through BSD Circular Letter No. 10 dated August 26, 2002. Further, according to the notification of the SECP dated April 28, 2008, International Financial Reporting Standard 7 'Financial Instruments: Disclosures' has not been made applicable to banks. Accordingly, the requirements of these standards have not been considered in the preparation of this consolidated condensed interim financial information. However, investments have been classified and valued in accordance with the requirements of various circulars issued by the SBP.
- 2.3 "The Securities and Exchange Commission of Pakistan (SECP), though SRO 633(1) 2014 dated July 30, 2014, notified applicability of various International Financial Reporting Standards (IFRSs), including IFRS 10 Consolidated Financial Statements. IFRS 10 became effective from accounting period beginning on or after January 1, 2015, with earlier adoption allowed. IFRS 10 provides more robust definition of control and requires entities to make the 'control' assessment including assessment of mutual funds managed by fund manager i.e. asset management company (AMC) and in case control exists, mutual funds need to be consolidated by fund manager/parent as its subsidiaries. Section 237 of the Companies Ordinance, 1984, (the Ordinance) also requires a holding company having one or more subsidiary companies to present consolidated financial statements. However, as per section 3 of the Ordinance, a subsidiary needs to be a company or body corporate. Since mutual funds do not fall in definition of company or body corporate, it appears that these should not be consolidated under local laws which prevail over IFRSs.

The matter of consolidating mutual funds has also been taken up and under consideration with the SECP by various forums including Mutual Funds Association of Pakistan (MUFAP), the SECP has granted exemption to the Bank, by its letter No. EMD/233/685/2007-1356 dated May 14, 2015, from consolidation of funds of its subsidiary, JS Investment Limited till such time a conclusion is reached on the subject matter. Therefore the Bank has continued with existing accounting policy / treatment for mutual funds i.e. not consolidated the funds under these consolidated condensed interim financial information."

2.4 The disclosures made in this consolidated condensed interim financial information has been limited based on the format prescribed by the SBP vide BSD Circular No. 2 dated May 12, 2004 and International Accounting Standard 34, 'Interim Financial Reporting' and do not include all the disclosures required in the annual financial statements. Accordingly, this consolidated condensed interim financial information should be read in conjunction with the annual audited financial statements of the Group for the year ended December 31, 2014.

## 3. BASIS OF MEASUREMENT

#### 16. TAXATION

#### 16.1 JS Bank Limited (Holding Company, the Bank)

During the period the Commissioner Inland Revenue - Appeals (CIRA) and Appellate Tribunal Inland Revenue (ATIR) have decided certain appeals filed by the Bank and the tax department in respect of amended assessments for tax years 2008, 2009, 2010 and 2013.

For tax year 2008, CIRA has admitted the contention of the Bank that the amended order is barred by time and, decided that the any addition made in impugned order is annulled and not required to be further adjudicated. However, the department has filed an appeal against the decision of CIRA in ATIR where it is pending for hearing and decision.

For tax years 2009 and 2010, CIRA has decided appeals accepting the Bank's contentions in respect of significant issues whereas, disallowances of amortisation claim of goodwill have been decided in favour of department besides maintaining the department action of levying Workers' Welfare Fund (WWF) on accounting profit of the Bank. The Bank is in the process of filing appeals in ATIR to contest the decision of CIRA in this regard.

For the tax year 2013, the ATIR has decided appeal filed by tax department in respect of calculating the amount of provisions against advances as allowable under Rule 1(c) of Seventh Schedule to the Income Tax Ordinance, 2001 and has maintained the CIRA decision that allowability of provision for advances to be calculated at 1% of gross amount of advances as against the tax department contention that the same is to be calculated on net advances after deducting the amount of provisions created and allowed against advances.

## 16.2 JS Global Capital Limited (Subsidiary, the Company)

During the period, the Deputy Commissioner Inland Revenue has issued an order to the company, (among other brokerage houses) for tax demand amounting to Rs. 78 million on account of non-payment of Federal Excise Duty (FED) for tax period for 2010 to 2013. The Company has filed a rectification appeal amounting to Rs. 54.3 million against the said order on account of certain computational errors. The Company has also filed an appeal in the Sindh High Court, through KSE Stockbrokers Association (of which the Company is also the member) against the aforementioned order on the grounds that after 18th amendment to the Constitution the services that were previously subject to FED under the federal laws are now subject to provincial sales tax and the Company has accordingly discharged its tax obligations in the respective provinces. The Sindh High Court has stayed Federal Board of Revenue from demanding sales tax on services from stock brokers. Further, management of the Company and its tax advisors are of the view that because provincial sales tax on services has already been paid after constitutional dispensation, no further charge is expected to arise in respect of this matter.

There is no change in contingent liabilities since the date of annual consolidated audited financial statements for the year ended December 31, 2014 except as disclosed above.
